Interesting Feature

School Goals

With a motto of "Making a Difference" we recognize the value of addressing the whole child. As such, our staff is dedicated to providing a stimulating academic program, daily physical activity and creative challenges.

St. George's Junior School is located in the Princess Anne Manor community on the south side of Princess Margaret Boulevard. The school first opened in 1956 and expanded in 1960 to include additional classroom space. It now serves students from Full Day Kindergarten to Grade 5, including an Intensive Support Program (Primary Autism).

Student Leadership

There are many opportunities for student leadership at St. George's. School Ambassadors work directly with the Principal, Teacher-Librarian and several staff members on numerous school activities including Social Justice Initiatives, Leading Character Assemblies, Eco-School Initiatives, Concerts/Plays, Morning Announcements. Learning Buddies (Junior class partnering with a Primary class) work together with many of our older students assisting our younger students with their reading skills.

More Information about St George's Junior School

Platinum Eco School

St. George's is proud to be a certified Platinum Eco School. Our Eco Team, comprised of students and staff work together to promote ecologically responsible attitudes and behaviours. Students actively monitor and promote energy conservation, waste reduction, recycling, and litterless lunches.

Use of Data for School Improvement Planning

St. George's staff uses data collected from student work and assessments to set classroom and school improvement goals. Daily learning tasks are evaluated for student comprehension. Lessons, tasks and assessments are modified and accommodated to meet the needs of each student. Provincial assessments (EQAO) provide further information and focus for instruction.

Community Outreach

Staff, students and parents at St. George's strive to be good global citizens and contributing members of society. We participate in many community events, including an annual Terry Fox Walk, Outreach, Food Drive, Clothing Drive and Community Clean-up.

Technology

St. George's students benefit from access to computers and assistive technology, including classroom computers, mobile computer carts and iPads.

Additional Features

For a list of all programs that are also offered visit http://www.tdsb.on.ca/Findyour/Schools.aspx?schno=2034&schoolId=1082

Student Life - Where You Belong

St. George's looks to enrich its classroom programs by integrating "Learning Through the Arts", "Scientists in the School" and 'out of school' excursions. As well, there are many exciting clubs and sports activities that students can join including:
Planet Protector Club Craft ClubsCross-CountrySlow PitchSoccerTrack & Field
Scooterball

What Sets Us Apart

St. George's offers a supportive environment of continuous learning among teachers, students and staff . We have strong community involvement through our School Community Council and our many volunteers. St. George's sets high expectations academically, socially and physically.

Parent and Community Engagement

The staff and students of St. George's enjoy the support of many community partners. They include: Toronto Public Health, Toronto Police Services, Toronto Fire Department, Co-op Students from our local secondary schools, student teachers from Faculties of Education and adult volunteers from our community. We have an active School and Community Council that is involved in a variety of volunteer efforts. These include fundraising, curriculum support through guest speakers and performing arts and science visits, classroom help, library support, and health and safety issues. Major events involving the entire community include an annual Dance-a-thon, Book Fairs, a classroom enhancement fundraising program, school greening projects, and community outreach initiatives.

Imagine a TDSB where all schools share a common core set of characteristics. They are community-driven and focused on teaching and learning. Students and parents have a wide variety of opportunities and there are enough students in every school to increase program choices.

Imagine there is a clear focus on achieving student success and every student is engaged, has a voice, access to a caring adult and the opportunity to develop their full potential.

Here at the TDSB our focus is on student achievement, parent and community engagement and financial stability.
