Martingrove Collegiate Institute is a diverse school community dedicated to developing responsible, productive and global citizens by fostering in all of our students the desire to pursue personal excellence. Martingrove is committed to the safe, healthy and supportive environment necessary to facilitate scholastic challenges and co-curricular activities.

Martingrove C.I. is a caring school which is recognized provincially for academic excellence and for exceptional student and staff involvement. Over 80% of graduating students enter post-secondary institutions and two thirds of graduates are Ontario Scholars. The academic program is also complemented by a wide variety of clubs and sports.

### Gifted Program

Martingrove Collegiate has been running the largest Secondary Gifted Program in the West end for the past thirty years. It provides a rigorous, enriching learning experience to prepare students for academic success at post-secondary destinations. It fosters intellectual and personal growth for exceptional students through the development of higher-level thinking skills and the promotion of exciting leadership opportunities.

## More Information about Martingrove Collegiate Institute

### **MAPP – Martingrove Advanced Placement® Program**

Martingrove Collegiate is proud to offer the Advanced Placement® and Pre-Advanced Placement Programs to all qualified and interested students. The Pre-AP program begins in grade 9 and continues through to grade 11

### **Music**

Music at Martingrove can be best described as a traditional performance-based music program. 25% of the school is enrolled in the Music Program, where instruction is provided for traditional Concert Band instrumentation or for Orchestral Strings

### **Technologies and Visual Arts**

We have a very integrated technologies program, where students can choose from graphic arts technology, film and video, photography and automotive technologies just to name a few.

### **Co-Curricular Activities**

To complement a strong academic experience, we offer a dynamic co-curricular program to enhance the student experience. The numerous and diverse array of teams and clubs ensures that there is an activity to meet everyone's interests. Leadership development is also very important at Martingrove.

### **Additional Features**

## Student Life - Where You Belong

Martingrove students can choose to be part of our award-winning music program or our academic clubs or competitive sport teams. Our music students have travelled to Europe to perform and receive specialized training from professional musicians on our annual Clinician's Day. Our athletic teams represent many different sports and offer opportunities to develop skills and friendships. Our visual art students' work is displayed in galleries around Toronto. Our technology students compete and win medals at Skills Canada competitions.

## What Sets Us Apart

Martingrove students represent the world. We welcome young people from more than 60 countries speaking more than 70 languages. We offer programs for students with physical challenges, so our building is accessible to all. We host the largest Model United Nations gathering in Ontario. Martingrove offers unique interdisciplinary courses at the grade 11 and 12 level.

## Parent and Community Engagement

The Martingrove School Council meets every month and welcomes parents, teachers and school administrators. We discuss important school and community matters and sponsor guest speakers for our whole school community. Parents are also involved in the annual library book drive and in our music council. Strong connections between home and school help Martingrove students succeed.

Imagine a TDSB where all schools share a common core set of characteristics. They are community-driven and focused on teaching and learning. Students and parents have a wide variety of opportunities and there are enough students in every school to increase program choices.

Imagine there is a clear focus on achieving student success and every student is engaged, has a voice, access to a caring adult and the opportunity to develop their full potential.

Here at the TDSB our focus is on student achievement, parent and community engagement and financial stability.
