Interesting Feature

LEADERSHIP

NACI's Leadership programs allow students to build meaningful memories, develop skills, attitudes and values necessary for success both within and beyond secondary school life. Student led activities promote school spirit, respect and responsibility in the community. Our Camp Tamarack Grade 10 Leadership Program allows senior students to facilitate and mentor younger campers. Leadership students also organize a variety of events including: DECA competitions, student-run events, community service opportunities and act as role models for local elementary school students.

Virtus, Officium, Veritas - Excellence, Service, Truth.

Welcome to North Albion Collegiate Institute! Established in 1962, North Albion continues to **empower** students to become **dynamic** citizens while offering a strong academic program. We provide our students with opportunities to strive towards **excellence** in academic, social and athletic pursuits, **service** towards the common good for all, and **truth** in their actions and contributions to society. North Albion promotes **positive student leadership** through a range of student driven co-curricular activities. Our school community represents the diversity of Canada. Over 50 languages are spoken by our students, representing communities and cultures from across the world. NACI is truly a global village, conveniently located in the heart of Rexdale.

SCHOOL PROGRAMS

Advanced Placement (AP) Courses in: Chemistry, Physics, English, History, Advanced Functions and Calculus & Vectors. AP courses prepare students for University studies through a specialized enrichment program and are recognized for credit at Canadian and American Universities. We also offer DUAL CREDIT courses with local universities and colleges, Ontario Youth Apprenticeship opportunities available. There are rich co-curricular opportunities in the performing arts, athletics, service clubs, robotics, and student leadership. We have a strong commitment to equity, service to the community and positive conflict resolution.

More Information about North Albion Collegiate Institute

ATHLETICS

North Albion strives for excellence in all athletic pursuits. Consistently, NACI has the distinction of sending our teams to city and provincial championships. North Albion is home to a diverse variety of fall, winter and spring session sports coached by our dedicated, knowledgeable staff and community members.

CREATIVE ARTS

NACI is home to award winning dance and dramatic arts programs with participants performing throughout Canada. Our STOPP dance program has been honoured by performing at Dare 2 Dance. Our Dramatic Arts program has received distinction at the SEAR's Drama Festival. At our annual ARTS NIGHT, our students showcase their exceptional and artistic talents.

DEDICATED TEACHERS

NACI has a dynamic team of highly qualified, dedicated teachers, committed to student success, quality instruction and using the latest technology in the classroom. We believe in providing innovative opportunities to support our students' growth and prepare them to become community leaders, caring citizens and responsible lifelong learners.

TECHNOLOGY

Students acquire skills and gain experience in the fields of digital and media technologies, transportation, woodworking and constructions. Our Robotics Team has competed at various **provincial** and **international** challenges. NACI students have the opportunity to explore careers in the various fields of technology through comprehensive co-operative education placements.

Student Life - Where You Belong

When you join our school you become a part of a family where members work together with a strong focus on community and leadership development. We are committed to improving success of all students and achieve this by providing a diverse variety of student programs and co-curricular activities. Whether you are interested in the performing arts, athletics, health and wellness, automotive and other technological studies, or preserving the environment, NACI has a program for you. ***We value and celebrate the cultural experiences and ethnic backgrounds of our students when planning academic and co-curricular programs.*** Our students can participate in a variety of clubs/teams/activities, from Bollywood Dancing, Basketball teams, Chess Club to Soccer and Steel Pan Band.

This is what our students say:

"There are many clubs at NACI which help me become more confident and outgoing"

"You Should come to NACI because there is so much to offer. They have lots of clubs, sports and the staff advisors are amazing!"

"There is always a teacher or someone else to help me when I have questions. They're always here early and will always be there when we need someone to talk to"

What Sets Us Apart

North Albion is a student focused environment, emphasizing compassion, positive attitude, relevance and engagement within the classroom. Collaboration between teachers is encouraged in order to increase opportunities for students. NACI not only strives to improve academic opportunities for our students but also aims to promote social, emotional and character growth for all. North Albion has the distinction of being the only TDSB high school to contain a fully functional health clinic within the building. This partnership allows NACI students and their families contact with trustworthy and accessible medical practitioners in order to receive assistance with medical health concerns. The health clinic at North Albion serves as a model for other schools while contributing to the overall health and wellness of the NACI community.

Our students say:

"NACI is helping me to be a successful student. The teachers and staff set high expectations and are really pushing us to be the best we can be."

Parent and Community Engagement

Settlement and Education Partnerships Toronto (SEPT)/Settlement Workers in Schools (SWIS) - supports students and families new to Canada

Partnership with Albion Neighbourhood Services, Albion Boys and Girls Club and Pathways to Education - offering mentoring, tutoring and after school programs

Partnership with post-secondary institutions offering dual credit programs.

Active School Council

"NACI is the school where your child will learn, smile and have new experiences. NACI prepares and supports the entire community"

Imagine a TDSB where all schools share a common core set of characteristics. They are community-driven and focused on teaching and learning. Students and parents have a wide variety of opportunities and there are enough students in every school to increase program choices.

Imagine there is a clear focus on achieving student success and every student is engaged, has a voice, access to a caring adult and the opportunity to develop their full potential.

Here at the TDSB our focus is on student achievement, parent and community engagement and financial stability.
