Muirhead ...a Small but MIGHTY School!!

Muirhead is an outstanding place for teaching and learning. The school is an invitational and inclusive place, where every child is challenged to reach their full potential. There is a focus on the development of the whole child academically, physically, socially and emotionally. The staff utilize effective instructional strategies and resources to differentiate instruction for all learners. They are all actively engaged in continuous professional development in order to best serve our students.

Believe it! Do it! Achieve it!

Muirhead Public School is a wonderful school with great students, staff and parents! Muirhead is a Junior Kindergarten to Grade 5 elementary school located in the Pleasant View community. It is a busy school with special education and regular programs. Muirhead has been open since 1968 and serves approximately 200 students who represent several language groups and countries. At Muirhead, we pride ourselves in **excellence in education** and **high academic standards**. As a whole school community we provide the best opportunities for our students.

High Standards

At Muirhead the staff ensure that students are engaged in rigorous learning activities. They are focused on having students think deeply in order to better understand complex ideas and concepts. The staff are actively engaged in professional learning activities focused on instruction and assessment strategies that are most effective to improve student achievement. At Muirhead, there is a focus on balanced literacy and numeracy programs for all students to become strong, independent and adept at higher level thinking.

·Dedication to Continuous Learning;·Environmentally Conscious with Go Green initiatives like Boomerang Lunch and Community Clean up;·Staff demonstrate empathy, understanding and compassion as they strive to build a better community for students;·The school is sparkling clean and welcoming to all;·Small and close knit school community

Parent and Community Engagement

Muirhead has very active parent and community involvement which includes, but is not limited to the following: Student nutrition program: featuring a morning meal that our volunteers make for our students; Visits to the public library, community centre, and skating arena; Regular contact with a community officer from the 33 Division of the Metropolitan Toronto Police (e.g., Safety education provided through the police force); Fundraising for a variety of charitable organizations (e.g., Jump Rope for Heart, Terry Fox Walk); Transition program for children entering junior high; Strong and highly involved School Council with strong community links; Regular parent volunteers working throughout the school.

Imagine a TDSB where all schools share a common core set of characteristics. They are community-driven and focused on teaching and learning. Students and parents have a wide variety of opportunities and there are enough students in every school to increase program choices.

Imagine there is a clear focus on achieving student success and every student is engaged, has a voice, access to a caring adult and the opportunity to develop their full potential.

Here at the TDSB our focus is on student achievement, parent and community engagement and financial stability.
