## Interesting Feature

### French Immersion & Extended Programs

The in-depth study of another language encourages critical thinking skills, which we know are more important than ever in the 21st century. At Newtonbrook, French Immersion and Extended French students have the opportunity to enhance their learning and study a broad range of subjects and topics in French.

### *Quisque Pro Ingenio*

*To each according to his/her own talent*

Newtonbrook Secondary School offers an engaging and supportive environment which fosters academic excellence, responsibility and mutual respect. We encourage students to develop life skills and global competencies through diligent study, exploration of personal talents and a commitment to life-long learning in order to become active contributors in a rapidly changing world. Newtonbrook Secondary School has a strong tradition of excellence in academics, athletics, and the arts. We provide our students with world class learning opportunities through our extensive and varied programs and our wonderfully caring teachers. More information is available on our school website.

### English as a Second Language Program

We offer a full range of ESL courses and support our English Language Learners in all subject areas. We are one of the magnet schools for International Students and therefore we have a richly diverse group of students from all over the world. We have over 45 different first languages spoken at home!

## Student Life - Where You Belong

### SAC

Newtonbrook's Student Activity Council is the link that unifies our students in entertaining and creative ways. Whether SAC is hosting a classy semi-formal or a thematic dance, SAC generates a friendly, inviting aura that brings us all together. School definitely shouldn't be exclusively to work. Friendship and social interaction are important components to the development of any teenager. The SAC office door is always open and the students do their best to enrich the lives of their peers at Newtonbrook. SAC stays true to its namesake; it provides fun activities for students and effectively creates a meaningful community by doing so.

### NAC

The Newtonbrook Athletic Council promotes athletic participation and excellence at Newtonbrook. We plan and operate fundraisers such as the Terry Fox Run for cancer and BBQ's that support athletics. Each year we organize intermural activities in numerous sports. We are dedicated to fostering school spirit, excellence in sports and participation - that's who we are!

## What Sets Us Apart

We offer a range of programs that get our students involved in the local, national, and global communities in various environmental, community revitalization, and social justice initiatives. Our Business students are exposed to a variety of courses that include Marketing, International Business, Accounting and Business Management. Students also actively and successfully participate in DECA competitions provincially and internationally.

Our Assistant Curriculum Leader of the English Department, Mr. Fogel, has been leading Newtonbrook trips to Italy, France, Spain, England, the Czech Republic, Germany, Greece, and Switzerland for 15 years. This opportunity is available to students of all grades. Immersing themselves in other cultures allows the students to feel connected to our Global Village. Music of Brook (M.O.B.) Newtonbrook's Music Council is comprised of students ranging from Grades 9-12 in the various music courses. They assist in a number of musical and fundraising events throughout the school and have been instrumental in organizing trips to New York and Chicago.

## Parent and Community Engagement

*Newtonbrook's 50th Anniversary Alumni Scholarship* of \$500 will be awarded for 10 years at Commencement. Awards from our Partnerships include Centerpoint Mall and Willowdale Rotary Club. Many businesses in the community provide excellent Co-op student placements. Newtonbrook works closely with Division 32 and is a proud partner of the School Resource Officer initiative between the TDSB and Police. Community representatives support Career Week presentations. SEPT (Settlement and Education Partnership in Toronto) workers assist Newtonbrook newcomer families with access to school and community resources.

Imagine a TDSB where all schools share a common core set of characteristics. They are community-driven and focused on teaching and learning. Students and parents have a wide variety of opportunities and there are enough students in every school to increase program choices.

Imagine there is a clear focus on achieving student success and every student is engaged, has a voice, access to a caring adult and the opportunity to develop their full potential.

Here at the TDSB our focus is on student achievement, parent and community engagement and financial stability.
