OUR MISSION

At Henry Hudson Sr. Public School, we inspire excellence and success; we are a learning partnership of students, staff, parents and community; we recognise and appreciate the diversity of our community; we provide a safe and inclusive environment; we work collaboratively, sharing ideas, experience and resources; and, we make informed decisions in the best interests of the school community. **We are on a journey to foster lifelong learning, physical & emotional wellbeing and social responsibility.**

Succeeding on the Journey

Henry Hudson Senior Public School is named after a famed 17th Century explorer who journeyed to discover entry ways to the interior of North America. Our school provides a safe and caring environment where all students have the opportunity to follow in Henry Hudson's footsteps and embark on their own journeys of discovery. We encourage students to discover new knowledge through our curriculum offerings; to discover new aspects of themselves through participation in our co-curricular activities and our Guidance programs; and, to discover new friends by engaging in all the opportunities that our school has to offer. Our school motto is "Journey to Success" and we emphasize achieving success in all that we do!

Succeeding on the Journey...

- Have a positive attitude
- Understand the learning process
- Demonstrate responsibility
- Search for solutions
- Organize time and space
- Network with others
- At Henry Hudson Senior School we believe that when students, parents, staff and the community work together all of us have embarked on a "Journey to Success" and will discover all that we seek.
