Taylor Creek Public School - Proud Moments Are Made

Built in 1952, Taylor Creek Public School has a long history of providing excellent programs to a well-established community. The school is located on Taylor Creek, south of St. Clair Avenue and north of Danforth Road. The neighbourhood surrounding our school is home to a very diverse population. Our school was renamed on Wednesday, October 4th, 2017 after collaboration with our students, parents, staff, trustee, and community members. The name Taylor Creek is more reflective of our community’s commitment to achievement, equity, and the environment.
