GRADE RANGE: SK to 6

Lord Lansdowne School is now a French Immersion Centre, with French Immersion classes only! Beginning in 2017-2018, we have classes from Senior Kindergarten to Grade 6. There are no English classes at Lord Lansdowne – local students are directed to Kensington Community School for the JK to Grade 6 regular English program.

School Mission
Our mission is to maintain our tradition of excellence that provides equitable opportunities for student success and engages them to become life-long learners and contributing members of society. We value: * Students, teachers and parents * Creative minds and risk takers * High standards in literacy and numeracy * Ongoing professional development for staff * Learning environments that are safe, nurturing and positive * Partnerships of students, staff and community * Students' responsibility for their own learning * Advocacy for students and staff * A strong music program that values discipline and student performance
Leadership
Students have many opportunities to build leadership skills. They can be members of a club or a sports team. They can also assist teachers and the administration by volunteering in other classrooms or by being office helpers or on the announcement team.

Athletics
We believe:
- that regular exercise builds a healthy brain and body
- that playing team sports builds character, agility and social skills
Athletic Teams: * Badminton, Basketball, Cross Country * Slo-Pitch, Soccer
* Track and Field, Volleyball

Professional commitment to excellence
Our exemplary EQAO results at both Grade 3 and Grade 6, as noted in the Fraser report, show our commitment to academic excellence. Our job is to teach students to think, to reason mathematically, to speak, read and write effectively as citizens of the world.

Student Life - Where You Belong

At Lord Lansdowne, students participate in a wide range of events and activities. These include: leadership activities, through drama, chess and many sports, clubs such as Eco, Coding, Book and Guitar. Library Helpers, Office Helpers and the Announcement Team gives students the chance to deepen and enrich their personal and social lives.

What Sets Us Apart

At Lord Lansdowne, we are proud of our longstanding tradition of excellence in music. We believe that the study of music promotes imagination, appreciation and the joy of knowing that a whole ensemble is greater than the sum of its parts.
Our music programs promote good practice habits; the discipline of working together where each student needs to match in tune, in time and in style with the ensemble; an understanding of the essentials of music and the joy of performance.
Parent and Community Engagement

- Public Library class visits (K - 6) - Community volunteers - University of Toronto students, University of Toronto Math Dept students/volunteers - Co-op students (George Brown College Early Childhood Program; Ryerson University Child and Youth Worker Program) - Collaboration with community/social agencies, e.g., Metro Police, St. Stephen's Community House, - School Community Council - Parent volunteers involved on a regular basis in classroom support, school library, fund-raising, and committee work.

Imagine a TDSB where all schools share a common core set of characteristics. They are community-driven and focused on teaching and learning. Students and parents have a wide variety of opportunities and there are enough students in every school to increase program choices.

Imagine there is a clear focus on achieving student success and every student is engaged, has a voice, access to a caring adult and the opportunity to develop their full potential.

Here at the TDSB our focus is on student achievement, parent and community engagement and financial stability.
